BRIEF HISTORY

JNGTECH INDUSTRIES, INC. was organized in late 2004 to operate a trading business, taking into consideration the boom in the high and medium-rise building construction which was fueled by the strong economy.

JNGTECH Management focused mainly on Plumbing/Sanitary & Fire Protection materials, with its familiarity of the products and its network of business friends in the industry. Therein started the first product lines of JNGTECH.

To date, JNGTECH carries some of the finest brands of plumbing and fire protection system materials such as LINO Cast Iron Pipes and Fittings and Shanghai Recomb Mechanical Grooved Fittings from China, WEFATHERM PPR Pipes & Fittings and AGRU HDPE Pipes, from Germany & Austria Respectively, We also supply materials from some of the prestigious and well known brands in the US/Canada such as CLA-VAL Automatic Control Valves, Zurn Specialty Valves & Backflow Preventors,

PPP Hammer Arrestors & CHARLOTTE Cast Iron Pipes & Fittings ZURN Drains, HIGHLAND (AGI) Tank Automatic & Manual Grease Interceptors. Other products carried are HISHITANK GRP(FRP) Panel-Type Water Tanks, PETERSEN Rubber Test Plugs, ADS HDPE Corrugated Pipes for Drainage and Pure Aqua Water Treatment components, among others.

JNGTECH has served the requirements of such prestigious & well known Projects as Solaire Casino & Entertainment Hotel, US Embassy Manila New Office Extension (MDC) and more. Lately, Proscenium Tower of Rockwell and Manila Bay Resort (MBR) Casino/ Hotel of Tiger Resort Leisure & Entertainment.

We continue to look for quality products to supply the building & industrial construction industry and expand our market coverage to the Visayas and Mindanao where new high rise construction have started to come up.

CORPORATE PHILOSOPHY

To provide products that are at par or better than the best in the industry by continually looking for and acquiring product lines that offer the best value to our Clients in terms of quality and price.

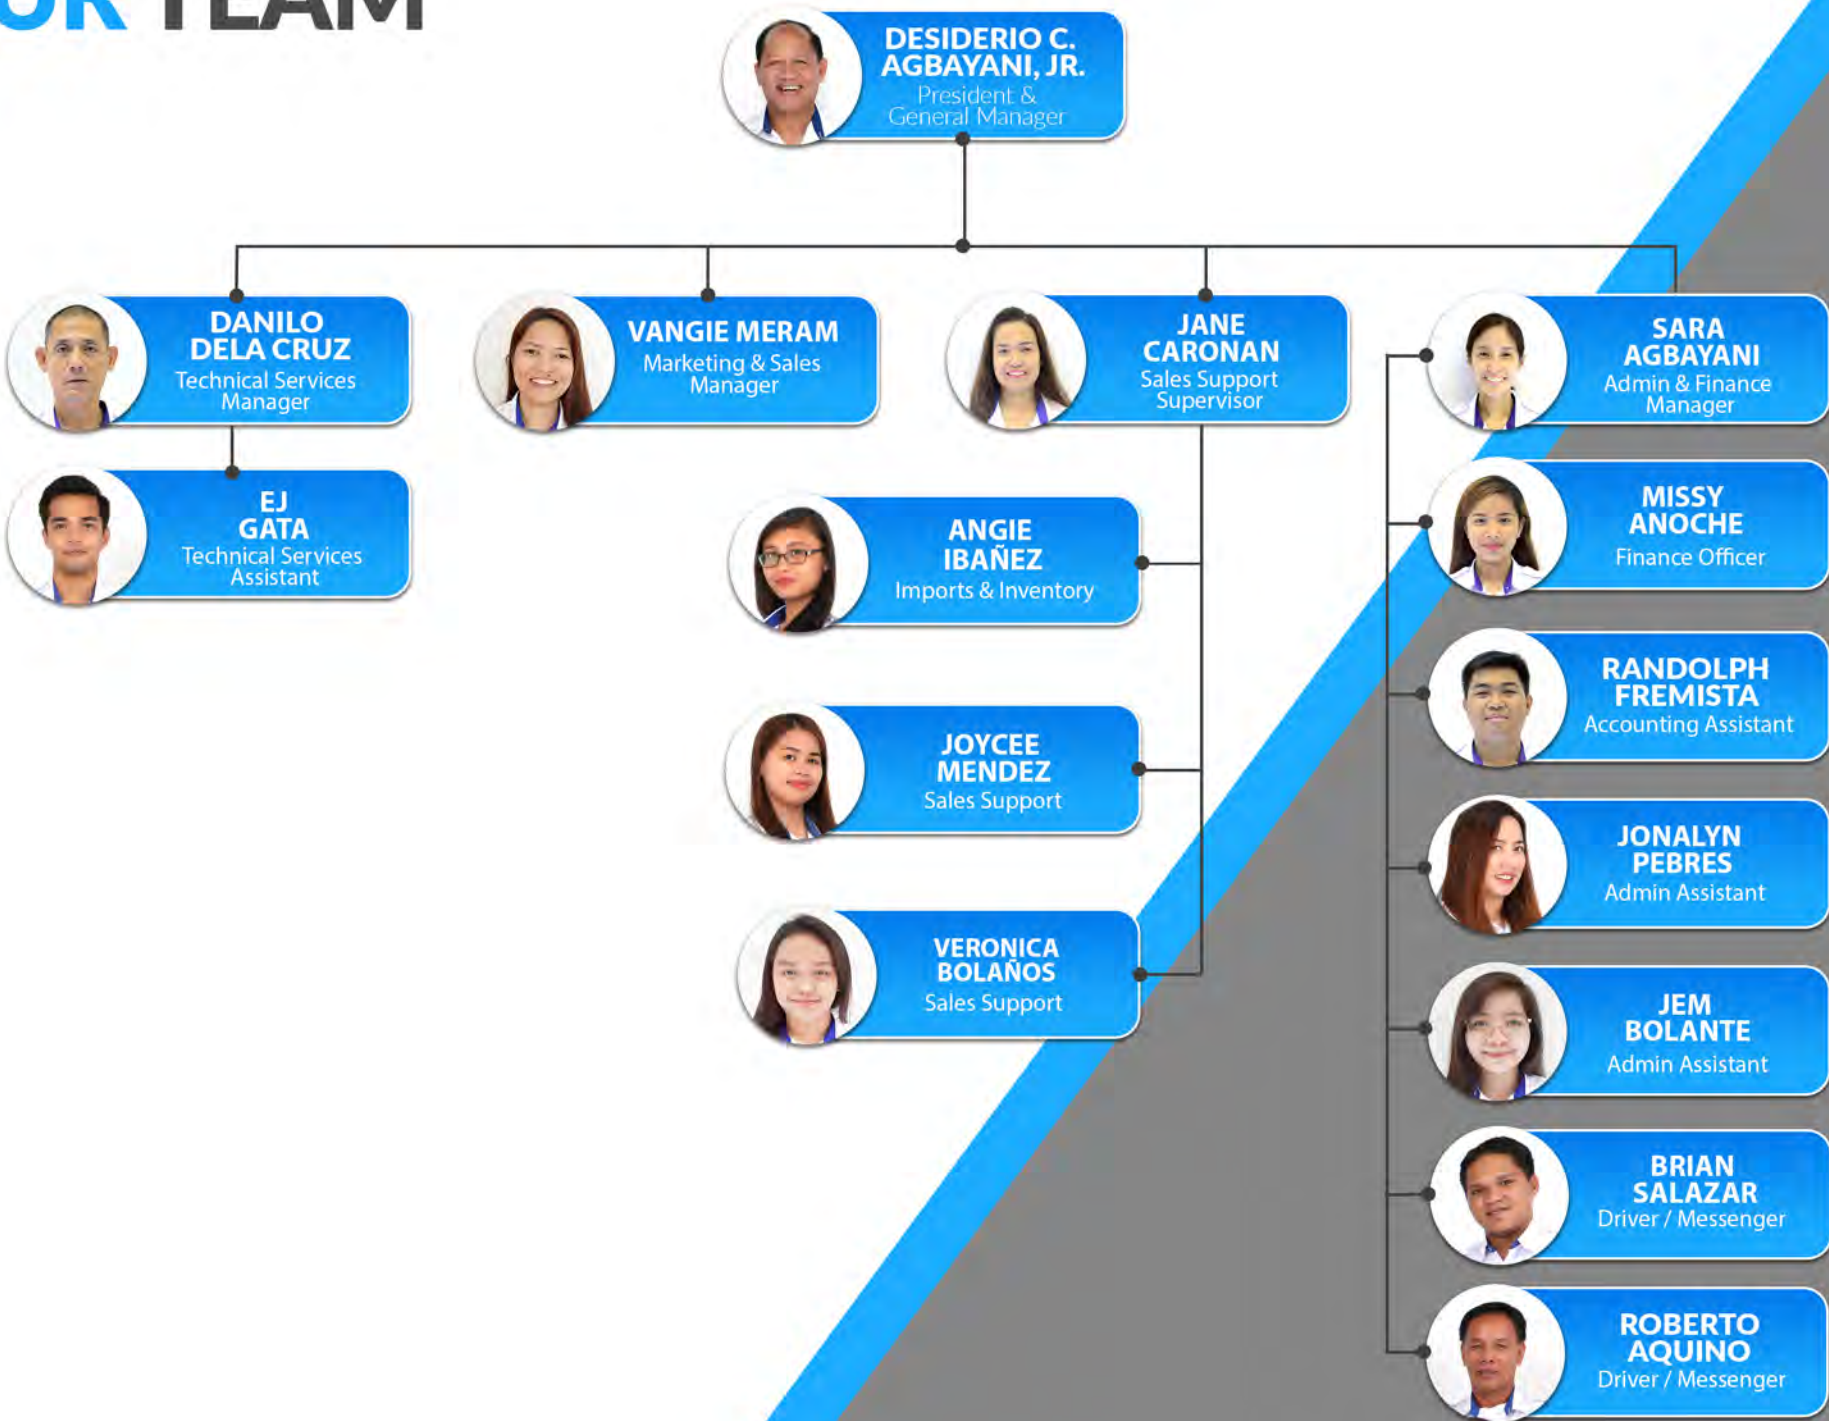

Respect for the ENVIRONMENT will be one of the most important considerations in the choice of product lines that we will carry and market.

Uphold the highest moral, ethical and professional standards in the conduct of our trading business.

Serve the country as a responsible corporate citizen by actively participating in endeavors to improve our surrounding community in particular and the country in general.

To recognize the value of our employees as our strongest assets by providing them opportunities to achieve their personal and professional growth.
